

## Topics & Speakers

### Neurologic Investigations

- Neuropathology: Central Nervous System - *Rebecca D. Folkert, MD*
- Neuropathology: Peripheral Nervous System - *Rebecca D. Folkert, MD*
- Neuroimaging in Clinical Neurology - *Joshua P. Klein, MD, PhD*
- Diagnostic Decision Making in Neurology - *Martin A. Samuels, MD*

### Cognitive and Behavioral Neurology

- Frontotemporal Dementia and Lewy Body Disease - *Kirk R. Daffner, MD*
- Rapidly Progressive Dementias and Encephalopathies - *Michael D. Geschwind, MD, PhD*
- Alzheimer Disease - *Reisa A. Sperling, MD*

### Sensory Complaints

- Headache - *Rebecca C. Burch, MD*
- Fatigue - *Thomas B. Sabin, MD*

### Movement Disorders

- Psychogenic Movement Disorders - *Mark Hallett, MD*
- Parkinson Disease: Surgical Treatment - *Michael T. Hayes, MD*
- Ataxia, Atypical Parkinsonism, and Multiple System Atrophy - *Vikram Khurana, MD, PhD*
- Hyperkinetic Movement Disorders - *Edison K. Miyawaki, MD*
- Parkinson Disease: Medical Treatment - *Lewis R. Sudarsky, MD*

### Stroke

- Management of Hemorrhagic Stroke - *Galen V. Henderson, MD*
- Prevention of Stroke - *Farzaneh A. Sorond, MD, PhD*
- Treatment of Acute Ischemic Stroke - *Lawrence R. Wechsler, MD*

## Neurointensive Care

- Principles of Neurointensive Care - *Eelco F.M. Wijdicks, MD*

## Neuromuscular Disorders

- Peripheral Neuropathies - *Thomas I. Cochrane, MD*
- Amyotrophic Lateral Sclerosis and Motor Neuropathies - *Robert G. Miller, MD*
- Myopathies and Neuromuscular Junction Disorders - *Robert M. Pascuzzi, MD*
- Entrapment Neuropathies - *David C. Preston, MD*

## Multiple Sclerosis

- Multiple Sclerosis - *James M. Stankiewicz, MD*

## Sleep Disorders

- Sleep Disorders - *Michael H. Silber, MB, ChB*

## Epilepsy

- Non-Pharmacologic Treatments for Epilepsy - *Ellen J. Bubrick, MD*
- Diagnosis and Medical Treatment of Epilepsy - *Gregory D. Cascino, MD*
- Sudden Unexplained/Unexpected Death in Epilepsy (SUDEP) - *Lawrence J. Hirsch, MD*
- Status Epilepticus - *Jong Woo Lee, MD, PhD*

## Neuro-Ophthalmology

- Disorders of Eye Movements, Pupils, and Lids - *Sashank Prasad, MD*
- Disorders of Vision - *Sashank Prasad, MD*

## Neuro-Otology

- Dizziness and Balance - *Robert W. Baloh, MD*

## Spinal Cord Disorders

- Myelopathies - *James M. Stankiewicz, MD*

## **Pain**

- Pain - *Brian J. Wainger, MD, PhD*

## **Neurology of Systemic Diseases**

- Autoimmune and Paraneoplastic Neurological Syndromes - *Josep Dalmau, MD, PhD*
- Principles and Practice of Hospital Neurology - *Joshua P. Klein, MD, PhD*
- Hypercoagulable States - *Martin A. Samuels, MD*

## **Cancer Neurology**

- Primary Brain Tumors - *Tracy Batchelor, MD, MPH*
- Neurological Aspects of Systemic Cancer - *Amy A. Pruitt, MD*

## **Neurological Infectious Disease**

- Neurological Infectious Diseases - *Karen L. Roos, MD*

## **Coma and Disorders of Consciousness**

- Coma and Disorders of Consciousness - *Martin A. Samuels, MD*

## **Autonomic Neurology**

- Autonomic Neurology - *Roy L. Freeman, MD*

## **Neurotoxicology**

- Neurotoxicology - *Michael Ganetsky, MD*

## **Ethical Issues in Neurology**

- Palliative Care of the Neurological Patient - *Maisha T. Robinson, MD*

## **Women's Neurology**

- Women's Neurology - *M. Angela O'Neal, MD*

## **Concussion**

- Concussion - *Allan H. Ropper, MD*
