

Chair: Stacey Trooskin, MD, PhD

Director of Viral Hepatitis Programs
Jonathan Lax Treatment Center
Philadelphia FIGHT
Co-Chair, HepCAP (Hepatitis C Allies of Philadelphia)
Philadelphia, PA

Stacey Trooskin, MD PhD, is the Director of Viral Hepatitis Programs at Philadelphia FIGHT Health Centers. She received her MPH from Yale University School of Public Health, her medical degree from Robert Wood Johnson Medical School, and her PhD from Rutgers School of Public Health. She completed her internal medicine residency and infectious diseases fellowship at the Hospital of the University of Pennsylvania.

Dr. Trooskin's primary research interest focuses on health disparities and developing and evaluating models of HCV care. She has been an invited lecturer at numerous presentations focused on hepatitis C, HIV, barriers to care, and testing and linkage to cure. Dr. Trooskin is a member of the Infectious Diseases Society of America (IDSA) and the American Association of the Study of Liver Diseases. She also serves as the Community Co-Chair of the Hepatitis C Allies of Philadelphia (HepCAP).
