

## Faculty Bio

### **A. Whitney Brown, MD**

Director of Clinical Operations  
Inova Advanced Lung Disease & Transplant Program  
Assistant Professor of Medicine  
Virginia Commonwealth University  
Inova Fairfax Campus  
Falls Church, VA

Anne Whitney Brown, MD, is the Director of Clinical Operations and Director of the Adult Cystic Fibrosis Program at the Inova Advanced Lung Disease & Transplant Program. Dr. Brown graduated from UNC- Chapel Hill with a Bachelor of Science in Public Health. She attended medical school at Emory University in Atlanta, GA, and completed her residency in internal medicine at New York Presbyterian Hospital/Cornell. Dr. Brown did fellowship training in pulmonary and critical care medicine at UNC-Chapel Hill. She has been with the Inova Advanced Lung Disease & Transplant Program since 2010.

Dr. Brown has a special interest in idiopathic pulmonary fibrosis (IPF), lung transplant outcomes, and the care of adult cystic fibrosis patients. She enjoys doing outcome-based research and has co- authored two original research articles on IPF, one on prognosis in IPF and the other on the impact of hospitalization in IPF.

Dr. Brown is a member of the American Thoracic Society and the International Society for Heart and Lung Transplantation.
