

Patient Care Transitions in COPD: Improving Collaboration Between Inpatient and Outpatient Providers to Reduce Readmissions

B. Justin Krawitt, MD
Medical Director of Care Management
and Clinical Documentation
Dartmouth-Hitchcock Medical Center
Lebanon, New Hampshire
Assistant Professor of Medicine
Geisel School of Medicine
Dartmouth College
Hanover, New Hampshire

B. Justin Krawitt, MD, is an Assistant Professor of Medicine at the Geisel School of Medicine at Dartmouth College and is the Medical Director of Care Management and Clinical Documentation at Dartmouth-Hitchcock Medical Center.

Dr. Krawitt trained in internal medicine at Dartmouth-Hitchcock Medical Center. He obtained his medical degree at the University of Louisville School of Medicine and received his bachelor's degree from the University of Vermont. He is a practicing hospitalist and his clinical interests include management of COPD populations and teaching ultrasound-guided procedures.

As current Medical Director of Care Management and Clinical Documentation his responsibilities include operations across the healthcare delivery spectrum including revenue cycle, risk adjustment contracting, coding, hospital readmissions, insurance denials, CMS compliance, bed allocation, and physician engagement.
