Professor

University of New England College of Pharmacy
Portland, ME

Dr. Li is a Professor in the Department of Pharmacy Practice at the University of New England College of Pharmacy. Dr. Li earned his Doctor of Pharmacy degree from the Philadelphia College of Pharmacy and his Master of Public Health from the University of New England. He completed a Pharmacy Practice Residency at the University of Wisconsin Hospital and Clinics and an Oncology Pharmacy Practice Residency at the University of Maryland School of Pharmacy. Dr. Li is a Board Certified Oncology Pharmacist who maintains a practice with the New England Cancer Specialists, the region's largest oncology group, located in Scarborough, Maine. He also works with New Century Health, a leading innovator of quality and cost management programs, to develop cancer treatment pathways. Before joining UNE, he was the Oncology Pharmacy Manager at the National Comprehensive Cancer Network, a not-for-profit organization whose clinical practice guidelines in oncology are the standard of care in the United States. His research focuses on cancer pharmacoepidemiology, pharmacoconomics, and evaluating health policy issues as they relate to oncology practice.
