

**PRAKASH DEEDWANIA, MD, FACC, FAHA, FACP, FASH**  
Professor of Medicine  
UCSF School of Medicine  
San Francisco, CA

**Prakash Deedwania, MD, FACC, FAHA, FACP, FASH** is one of the most recognizable figures in the fields of hypertension, heart failure, lipid disorders, ischemic heart disease, rhythm disorders, and preventive cardiology. He is Professor of Medicine at the University of California-San Francisco (UCSF) School of Medicine and is Chief of the Cardiology Division for the Veterans Administration Central California Health Care System

(VACCHCS)/UCSF Program in Fresno. Dr. Deedwania is also Director of Cardiovascular Research for the UCSF Fresno-Central San Joaquin Valley Medical Education Program and Clinical Professor of Medicine at Stanford University in Palo Alto.

Dr. Deedwania is a Fellow of the American Heart Association (AHA), American College of Cardiology (ACC), American College of Chest Physicians, and American College of Physicians, as well as a member of the American Thoracic Society, American Federation of Clinical Research, Council on Silent Myocardial Ischemia and Infarction, International Society of Ambulatory Science, and New York Trudeau Society. He has served as Chair of the Executive Committee of the Laennec Society of the AHA and is President of the California Chapter of the American Society of Hypertension. He is also Past President of the International Society for Holter and Noninvasive Electrocardiology (ISHNE). He is a member of several writing groups, including the ACC/AHA Practice Guidelines on Chronic Stable Angina and Ambulatory ECG Monitoring. He also serves on the Practice Guidelines Committee of the Heart Failure Society of America. He recently served on the joint writing group of AHA/ACC/American Diabetes Association for the position statement on intensive glucose control in patients with diabetes.

Dr. Deedwania has authored numerous landmark clinical trials and has authored or co-authored more than 350 publications, including journal articles, book chapters, and abstracts. Dr. Deedwania also serves on the editorial boards of numerous journals. He is an Associate Editor of the *Annals of Noninvasive Cardiology* and Senior Editor of *Congestive Heart Failure*, and has served as Guest Editor for the *Journal of the American College of Cardiology*. Dr. Deedwania lectures regularly both nationally and internationally.
