

Carol J. Sadley, MEd, PA-C

Ms. Sadley has been a faculty member of the PA Program for the past 24 years. Her teaching responsibilities include directing the EKG and Physical Diagnosis courses, among other duties. Ms. Sadley also holds a part-time lecturer status for the Rutgers Kinesiology and Health Department where she has taught the “EKG Use & Interpretation” class for the past 19 years. Clinically, Carol volunteers her time as a PA at the HOPE Clinic in Plainfield, NJ. Recent awards include the NJSSPA Outstanding Humanitarian Award in 2014, and Outstanding PA Educator for 2011. She holds a Basic Ski Patrol certification and regularly patrols at Bear Creek Mountain Resort in PA. Prior to teaching, Ms. Sadley spent 8 years developing and overseeing the daily activities of the cardiopulmonary rehabilitation programs at two central New Jersey hospitals.
