

Ryan White, MS, MPH, PA-C

Professor White joined the PA Program's faculty in 2012. Prior to joining the faculty he practiced in internal medicine and neurology. Professor White is the Program's Assistant Director for Clinical Education and Practice and is pursuing a PhD in Health Care Systems and Policy. He is a Past President of the New Jersey State Society of Physician Assistants (NJSSPA). In 2015 he received the New Faculty Award for Professional Excellence from The Physician Assistant Education Association (PAEA).
