

Junko Takeshita, MD, PhD, MSCE
Assistant Professor of Dermatology
Assistant Professor of Epidemiology
University of Pennsylvania Perelman School of Medicine
Philadelphia, PA

Junko Takeshita, MD, PhD, MSCE is an Assistant Professor of Dermatology and Epidemiology at the University of Pennsylvania Perelman School of Medicine. She is a board certified dermatologist whose clinical work focuses on psoriasis. Her primary research focus is in health and healthcare disparities in dermatologic diseases, particularly psoriasis and eczema. She has authored many scientific publications on the topics of psoriasis comorbidities, comparative effectiveness research in psoriasis, translational research in psoriasis, and disparities in healthcare utilization for psoriasis and eczema. Dr. Takeshita is a recent recipient of the National Psoriasis Foundation's Outstanding New Investigator Award. She receives/has received grant funding from the National Institutes of Health, the Dermatology Foundation, the National Psoriasis Foundation, and Pfizer Inc. to support her training and independent research program.
