

Topics and Speakers

Neurologic Investigations

- What's New in Neurodegenerative Disease Neuropathology - *Matthew P. Frosch, MD, PhD*
- What's New in Brain Tumor Pathology - *Matthew P. Frosch, MD, PhD*
- Neuropathology: Peripheral Nervous System - *Rebecca D. Folkerth, MD*
- Neuroimaging in Clinical Neurology - *Joshua P. Klein, MD, PhD*

Cognitive and Behavioral Neurology

- Evaluation of Dementia - *Kirk R. Daffner, MD*
- Alzheimer Disease - *Reisa A. Sperling, MD*
- Rapidly Progressive Dementias and Encephalopathies - *Michael D. Geschwind, MD, PhD*

Sensory Complaints

- Headache - *Rebecca C. Burch, MD*
- Fatigue - *Thomas B. Sabin, MD*

Movement Disorders

- Parkinson Disease: Medical Treatment - *Lewis R. Sudarsky, MD*
- Parkinson Disease: Surgical Treatment - *Michael T. Hayes, MD*
- Hyperkinetic Movement Disorders - *Edison K. Miyawaki, MD*
- Psychogenic Movement Disorders - *Mark Hallett, MD*
- Ataxia, Atypical Parkinsonism, and Multiple System Atrophy - *Vikram Khurana, MD, PhD*

Stroke

- Prevention of Stroke - *Steven K. Feske, MD*
- Treatment of Acute Ischemic Stroke - *Galen V. Henderson, MD*
- Management of Hemorrhagic Stroke - *Matthew B. Bevers, MD, PhD*

Neurointensive Care

- Principles of Neurointensive Care - *Eelco F.M. Wijdicks, MD, PhD*

Neuromuscular Disorders

- Amyotrophic Lateral Sclerosis and Motor Neuropathies - *Jeremy M. Shefner, MD, PhD*
- Peripheral Neuropathies - *Thomas I. Cochrane, MD, MBA*
- Entrapment Neuropathies - *David C. Preston, MD*
- Myopathies and Neuromuscular Junction Disorders - *Robert M. Pascuzzi, MD*

Multiple Sclerosis

- Multiple Sclerosis - *James M. Stankiewicz, MD*

Sleep Disorders

- Sleep Disorders - *Michael H. Silber, MB, ChB*

Epilepsy

- Medical Treatment of Epilepsy - *Gregory D. Cascino, MD, FAAN, FANA, FACNS, FAES*
- Non-Pharmacologic Treatments for Epilepsy - *Ellen J. Bubrick, MD*
- Status Epilepticus - *Jong Woo Lee, MD, PhD*
- Sudden Unexplained/Unexpected Death in Epilepsy (SUDEP) - *Lawrence J. Hirsch, MD*
- Critical Care EEG Monitoring - *Lawrence J. Hirsch, MD*

Neuro-Ophthalmology

- Disorders of Vision - *Robert M. Mallery, MD*
- Disorders of Eye Movements, Pupils, and Lids - *Sashank Prasad, MD*

Neuro-Otology

- Dizziness and Balance - *Gregory T. Whitman, MD*

Spinal Cord Disorders

- Myelopathies - *Shamik Bhattacharyya, MD*

Pain

- Pain - *Brian J. Wainger, MD, PhD*

Neurology of Systemic Diseases

- Autoimmune and Paraneoplastic Neurological Syndromes - *Henrikas Vaitkevicius, MD*
- Principles and Practice of Hospital Neurology - *Joshua P. Klein, MD, PhD*
- Neurocardiology - *Martin A. Samuels, MD*

Cancer Neurology

- Primary Brain Tumors - *Lakshmi Nayak, MD*
- Neurological Aspects of Systemic Cancer - *Amy A. Pruitt, MD*

Miscellaneous

- Neurological Infectious Diseases - *Karen L. Roos, MD*
- Coma and Disorders of Consciousness - *Martin A. Samuels, MD*
- Autonomic Neurology - *Peter Novak, MD, PhD*
- Neurotoxicology - *Michael Ganetsky, MD, FACEP, FACMT*
- Palliative Care of the Neurological Patient - *Kate Brizzi, MD*
- Women's Neurology - *Mary Angela O'Neal, MD*
- Concussion - *William J. Mullally, MD*
- Neuromuscular Ultrasound - *David C. Preston, MD*
