

## Faculty Bio

**Richard B. Lipton, MD**

Professor of Neurology  
Professor of Epidemiology and Population Health  
Professor of Psychiatry and Behavioral Sciences  
Albert Einstein College of Medicine  
Bronx, New York

Dr. Richard Lipton received his medical degree from the University of Chicago Pritzker School of Medicine. He completed an internal medicine residency at Northwestern University Hospital, and a neurology residency/chief residency at Albert Einstein College of Medicine. In addition, he completed a fellowship in clinical neurophysiology and epilepsy at Albert Einstein, and a fellowship in neuroepidemiology at Sergievsky Center, Columbia University. Dr. Lipton is Professor of Neurology, Professor of Epidemiology and Population Health, and Professor of Psychiatry and Behavioral Sciences at Albert Einstein College of Medicine. In addition, he is their Vice Chair of Neurology, the Edwin S. Lowe Chair in Neurology, and Director, Division of Cognitive Aging and Dementia. Dr. Lipton is also Director of the Headache Center and a Staff Neurologist in the Headache Unit, Montefiore Medical Center, and an Associate Research Scientist at the Sergievsky Center.

Dr. Lipton is a diplomate of the National Board of Medical Examiners, and is board certified by the American Board of Psychiatry and Neurology (Neurology), and in Headache Medicine (UCNS). He is on the Long-term Planning Committee, American Association for the Study of Headache; American Headache Society Board of Directors; and a Fellow of the American Neurological Association and the American Academy of Neurology. Dr. Lipton also holds memberships in the American Academy of Neurology, American Headache Society, American Neurological Association, American Society for Clinical Pharmacology and Therapeutics, American Society for Neurologic Investigation, International Headache Society, and the World Federation of Neurology. He is a consultant/reviewer for dozens of peer-reviewed journals and is on the editorial board of *Cephalalgia*, *Journal of Headache and Pain*, and *Neurology*, and is associate editor of *Headache Currents*, and *Cephalalgia*. In addition, Dr. Lipton has published more than 700 abstracts, letters and scientific presentations, 685 original communications, 190 chapters and review articles, and 13 books.
