

Faculty Bio

Jennifer G. Kwan-Morley, MD

Rheumatologist
Premier Orthopaedics
Malvern, PA

Jennifer Kwan-Morley, MD is a practicing rheumatologist at Premier Orthopedics based in Malvern, PA, where she endeavors to bring modern, evidence-based practices to her rheumatology patients.

She received her undergraduate and medical degrees at Northwestern University and then completed her residency at Evanston Hospital at Northwestern University. She then completed her rheumatology fellowship at the University of Pennsylvania.

She is currently on the board of the Philadelphia Rheumatism Society and an active member of the American College of Rheumatology, including being on the voting panel for recent arthritis treatment guideline recommendations.
