

**Vicki Doctor, BSN, RN, Senior Specialist Precision Medicine, Cancer Treatment Centers of America**

Ms. Doctor has worked exclusively as an oncology nurse in both outpatient and inpatient settings since graduating with honors from Loyola University of Chicago Niehoff School of Nursing in 1996. She is an oncology certified nurse.

Ms. Doctor began her career at Cancer Treatment Centers of America in 2006 on the stem cell transplant unit in Chicago. In September of 2015, she began her role as the medication acquisition specialist for the Centers for Advanced Individual Medicine at CTCA, where she developed and implemented a program whereby patients who were prescribed medication based off their genomic profile could gain access to targeted therapies/immunotherapies to treat their cancer.
