

Peggy L. Carver, Pharm.D., FCCP, FIDP
Associate Professor of Pharmacy
University of Michigan College of Pharmacy
Clinical Pharmacist, Infectious Diseases
Michigan Medicine
Ann Arbor, Michigan

Peggy Carver, Pharm.D., FCCP, FIDP is Associate Professor of Pharmacy in the Department of Clinical Sciences at the College of Pharmacy, and Clinical Pharmacist in Infectious Diseases at the University of Michigan in Ann Arbor, Michigan.

After completing her undergraduate degree in Biology at UCLA, Dr. Carver earned her Doctor of Pharmacy degree and completed a residency at the University of California School of Pharmacy in San Francisco, California, followed by fellowship in Infectious Diseases at Hartford Hospital in Hartford, Connecticut.

Dr. Carver's research focuses on antifungal therapy, and the role of metal ions in the development of infectious diseases. She has previously served as President of the Society of Infectious Diseases Pharmacists and Chair of the ASHP Specialty Practice Group in Infectious Diseases. She is a recipient of the University of Michigan College of Pharmacy Teaching Excellence Award, the Phi Delta Chi Alumni Advisor Award, and was inducted as a fellow of the American College of Clinical Pharmacy (ACCP) and the Society of Infectious Diseases Pharmacists (SIDP). She has been an invited presenter at numerous national and international scientific meetings and continuing education conferences.
