**General**
Radiologic Evaluation of Renal Masses - Steven S. Raman, MD
Imaging for Advanced Metastatic Cancer - Mukesh Harisinghani, MD
Prostate MRI for Evaluation of Prostate Cancer: An Overview of Techniques and Interpretation - Leo L. Tsai, MD, PhD, MSc
Scrotal Ultrasound - Aoife Kilcoyne, MB BCh BAO
Pathology of the Prostate, Kidney, and Adrenals - Chin-Lee Wu, MD, PhD
Pathology of the Bladder - Justine A. Barletta, MD
Pathology of the Testis - Robert H. Young, MD, FRCPath
Pathology of the Penis - Robert H. Young, MD, FRCPath
Urologic Emergencies - Jay Simhan, MD, FACS
Laser Physics and Safety - Lori Lerner, MD

**Infectious and Inflammatory Disease**
Infections of the Urinary Tract - Elise J. B. De, MD
Preventing Catheter-Associated Urinary Tract Infections (CAUTI) - Lona Mody, MD, MSc
Interstitial Cystitis - Christopher K. Payne, MD
Chronic Pelvic Pain in Men - Jeannette M. Potts, MD

**Infertility and Sexual Dysfunction**
Male Infertility - Cigdem ("Cori") Tanrikut, MD
Erectile Dysfunction - Arthur L. Burnett, MD, MBA
Peyronie Disease and Priapism - Hossein Sadeghi-Nejad, MD, FACS
Female Sexual Health - Leah S. Millheiser, MD, FACOG
Transgender – Male to Female Surgery - Robert D. Oates, MD

**Male Genitalia**
Cancer of the Testis - Joel Sheinfeld, MD
Penile Cancer - Curtis A. Pettaway, MD
Urethral Cancer - Curtis A. Pettaway, MD
Disorders of the Scrotum and Seminal Vesicles - Jay I. Sandlow, MD

**Trauma**
Renal and Upper Urinary Tract Trauma - Jay Simhan, MD, FACS
Bladder and Prostate Trauma - Richard A. Santucci, MD
Urethral Trauma - Thomas G. Smith III, MD, FACS
Genital Trauma - Lee C. Zhao, MD, MS

**Urinary Obstruction and Nephrolithiasis**
Urinary Tract Obstruction - Stephen Y. Nakada, MD, FACS, FRCS (Glasg.)
Urinary Lithiasis – Medical Management - David S. Goldfarb, MD
Urinary Lithiasis – Surgical Management - Peter L. Steinberg, MD
Renal Disease
Kidney Cancer – Active Surveillance - Adam S. Feldman, MD
Kidney Cancer – Open Surgical Management - Christopher G. Wood, MD
Kidney Cancer – Laparoscopic Management - Andrew A. Wagner, MD
Kidney Cancer – Systemic Therapy for Advanced Disease - David F. McDermott, MD
Kidney Cancer – Ablative Therapy - Ruslan Korets, MD
Acute Kidney Disorders - Melanie P. Hoenig, MD
Chronic Kidney Disorders - David J.R. Steele, MD
Cancer of the Renal Pelvis and Ureter - Vitaly Margulis, MD, FACS

Incontinence and Voiding Disorders
Urinary Incontinence in Women – Evaluation and Medical Management - Gary E. Lemack, MD
Surgical Management of Stress Incontinence in Women - Toby C. Chai, MD
Management of Sphincteric Urinary Incontinence After Radical Prostatectomy - Craig V. Comiter, MD
Urinary Tract Fistula - Elise J.B. De, MD

Bladder
Bladder and Urethral Diverticula - Eric S. Rovner, MD
Non-Muscle Invasive Bladder Cancer - Angela B. Smith, MD, MS, FACS
Intravesical Therapy for Management of Non-Muscle Invasive Bladder Cancer - Zachary L. Smith, MD
Surgical Management of Muscle Invasive Bladder Cancer - Bernard H. Bochner, MD
Bladder-Preserving Trimodality Therapy for Management of Muscle Invasive Bladder Cancer - Jason A. Efstathiou, MD, DPhil
Advances in Systemic Therapy for Management of Muscle Invasive Bladder Cancer - Richard J. Lee, MD, PhD
Urinary Diversion and Bladder Replacement - Sia Daneshmand, MD

Prostate
Benign Prostatic Hyperplasia – Medical Management - Steven A. Kaplan, MD
Benign Prostatic Hyperplasia – Surgical Management - Lori Lerner, MD
Prostate Cancer Screening - Kristen Scarpato, MD
Prostate Cancer – Active Surveillance - Stacy Loeb, MD
Prostate Cancer – Biomarkers - Todd Morgan, MD
Prostate Cancer – Utilization of MRI for Screening, Diagnosis, and Management - Mohummad Minhaj Siddiqui, MD
Prostate Cancer – Focal Therapy - Behfar Ehdaie, MD, MPH
Prostate Cancer – Surgical Management - Gerald L. Andriole, MD
Radiation for Prostate Cancer in the Definitive and Post-Operative Setting - Paul L. Nguyen, MD
Patient-Reported Outcomes After Localized Prostate Cancer Treatments - Peter Chang, MD, MPH
Systemic Therapy for Metastatic Prostate Cancer - Richard J. Lee, MD, PhD

Pediatric Urology
Perinatal Urology - Vijaya M. Vemulakonda, MD, JD
Common Pediatric Urologic Conditions: Kidneys, Genital Tract - J. Todd Purves, MD, PhD
Common Pediatric Urologic Conditions: Congenital Disorders, Bladder - Hillary Copp, MD, MS
Pediatric Trauma - Michael P. Kurtz, MD
Urologic and Renal Cancer in Children - Patricio C. Gargollo, MD
Adolescent and Transitional Urology - Carlos R. Estrada, Jr., MD, MBA
