

Faculty Bio

James F. Howard Jr., MD

Professor of Neuromuscular Disease
Professor of Neurology & Medicine
The University of North Carolina
Chapel Hill, NC

James Howard, MD, FAAN, is the former *James F Howard Distinguished Professor of Neuromuscular Disease* and the prior Chief of the Neuromuscular Disorders Section at UNC. Currently, he's a Professor of Neurology, Medicine, and Allied Health at UNC, Chapel Hill School of Medicine and directs the Myasthenia Gravis (MG) Clinical Trials and Translational Research Unit at UNC. A practicing neurologist for over 41 years with a focus on MG and EMG, Dr. Howard is a leading expert in MG and has authored more than 110 abstracts, 150 articles, 35 book chapters, and 3 books. He was the 2019 recipient of the European Academy of Neurology Investigator Award and is frequently invited to lecture on MG at meetings. Dr. Howard is a member of the NIH-funded rare disease clinical research network, MGNet.
