

Lynne J. Goldberg, MD  
Co-Course Director  
Jag Bhawan Professor of Dermatology and  
Pathology and Laboratory Medicine  
Boston University School of Medicine  
Director, Hair Clinic  
Boston Medical Center  
Boston, MA

Dr. Goldberg completed residencies in both internal medicine at New York University and dermatology at Albert Einstein College of Medicine before her fellowship in dermatopathology at Boston University. She is currently the Jag Bhawan Professor of Dermatology and Pathology & Laboratory Medicine at Boston University School of Medicine, where she divides her time between the practices of clinical dermatology and dermatopathology.

Dr. Goldberg has developed expertise in the clinical and histopathological evaluation of alopecia, and runs the Hair Clinic at Boston Medical Center. She has served on the Board of the American Hair Research Society and the Editorial Board of the *Journal of Cutaneous Pathology*, and is a Scientific Advisor to the Cicatricial Alopecia Research Foundation. She has a passion for teaching, has won several teaching awards, and lectures internationally on alopecia.
