

Faculty Bio

Neal J. Weinreb, MD. FACP

Voluntary Associate Professor

Department of Human Genetics

University of Miami Miller School of Medicine

Miami, FL

Neal J. Weinreb, MD, FACP is a graduate of the Jewish Theological Seminary (Bachelor of Hebrew Literature), and SUNY Downstate Health Sciences University (MD, summa cum laude). After a residency in Internal Medicine at Albert Einstein College of Medicine and a fellowship and faculty position at Mt. Sinai School of Medicine, NY, he practiced Hematology and Medical Oncology in South Florida. Dr. Weinreb, the director of the University Research Foundation for Lysosomal Storage Diseases in Boca Raton, FL, retired from clinical practice in May 2018. He now devotes his entire professional attention to clinical research about Gaucher Disease and Fabry Disease. Dr Weinreb is a Voluntary Associate Professor of Human Genetics and Medicine at the University of Miami Miller School of Medicine. Dr. Weinreb is an investigator for the Gaucher and Fabry Registries and a member of the Medical Advisory Board for the National Gaucher Foundation and of the International Working Group for Gaucher Disease.
