

Faculty Bio

Bela Ajtai, MD, PhD
Attending Neurologist
DENT Neurologic Institute

Bela Ajtai, MD, PhD is an attending neurologist at the Dent Neurologic Institute in Buffalo, NY, specializing in memory disorders, dementia, and neuroimaging diagnostics. He is board certified in these specialties by the American Board of Neurology and Psychiatry and by the United Council of Neurologic Subspecialties. Within neurology, his main field is cognitive disorders and dementia, with a special focus on Alzheimer's disease. He is the medical director of the Dent Center for Cognitive Disorders and Brain Health. He has also published several articles in peer-reviewed journals and authored and co-authored several book chapters. He serves as principal investigator in several multicenter dementia research studies.
