

## Faculty Bio

**Sarah S. Chisolm, MD**  
Assistant Professor  
Emory University School of Medicine

**Sarah S. Chisolm, MD** is a dermatologist at Emory University Hospital in Atlanta, GA. Dr. Chisolm completed both her undergraduate and medical degrees at the University of North Carolina at Chapel Hill. She completed a fellowship in autoimmune dermatology at Stanford University and a fellowship in complex medical dermatology at University of California-San Francisco. Her residency was completed at East Carolina University/Vidant Medical Center in Greenville, NC. Board certified in dermatology, Dr. Chisolm's interests are in atopic dermatitis/eczema, pruritus, prurigo nodularis, urticaria, and skin allergy/allergic contact dermatitis. Her current goals are to continue the growth of the itch center at Emory and oversee the clinical trials pipeline to better serve patients with pruritus and other inflammatory skin diseases.
